WELCOME TO OUR NEW PRINCIPAL, LYNN SILK,
and ASST PRINCIPAL, TIM SURRETTE!**

Meetings have been set for the first Tuesday of every month at 6:30pm.

Goals:

- To communicate – with parents, school administration, other school committees, and the community.
- To set a fundraising schedule and goals for the 08-09 calendar and lay a plan for the 09-10 year.
- Get involved in the community.
 - There have been requests for Milford Days, Parade, Carnival Games – like we use-ta!
- Set and staff committees:
 - Fundraising – see below!
 - Concessions
 - Lynne will check to see if food can be brought into the gym.
 - Look into opening the stage up?

Survey:

- Please review the Survey results from last year. At our next meeting, Oct. 7, we want to discuss what we would like to know and draft a new survey to send out.

Financials:

- Dee Saucier, our former treasurer, gave a summary of what events occurred last year, but also let us know what was done for the school as well. Overall, the PTO was only down \$300 from last September.
- For those who may not know, Greg Hobson is our new Treasurer and is planning to have monthly updates once he settles in and there's action on the books for the new year!

Communication:

- Either Lynn or Tim will represent the school at the PTO.
- There is also a Chaisson Field committee that they will be sitting on so we might be able to keep fundraiser and meeting dates separate.
- It's said that Lynne has a mean newsletter, so we'll hold her to keeping us informed and entertained through that tool!!
