

**OCTOBER 23<sup>TH</sup>-  
27<sup>TH</sup>  
RED RIBBON WEEK  
2017**

Red Ribbon Week educates individuals, families, and communities on the destructive effects of alcohol and drugs and encourages the adoption of healthy lifestyle choices. This year's theme is "Your Future is Key so Stay Drug Free!" We encourage our school family to talk about how to make informed choices. During the week of activities our school will be decorated with posters, the students will wear bracelets, and will be visited by the Penobscot County Sheriff's Office to share age appropriate information about substance choices. If you would like more information about this event please call Angela McDunnah, School Counselor at 827-2252 ext. 129.
